MR. BROUSSEAU.

Mr. J. BROUSSEAU, one of the democratic nominees for Judge of the Superior Court of Los Angeles County, was born at Malone, Franklin County, New York, December 17, 1834. When an infant his parents removed to Monroe County, New York, where Mr. Brousseau resided until 1850, then removed to Michigan. He was admitted to the bar of Michigan in 1852, was elected Judge of the Recorder's Court of the City of Flint, Michigan, in 1853, on the Democratic ticket when the Republican majority at the city election was 200; he was the only democrat elected. At the expiration of his term he again commenced practicing law in Saginaw, Michigan. By the council of that city he was appointed City Attorney three terms in succession. He there worked into a good practice, but in consequence of the malarial fevers prevalent there he left Saginaw, in 1870, and located at Kankakee, Illinois. He there acquired a lucrative practice and a comfortable home. He served three terms as City Attorney of the City of Kankakee, by appointment of the City Council, and resigned that office when he came to California. While in Illinois he was tendered the nomination by two conventions—"Democratic" and "Grangers"—as a candidate for State Attorney, but declined. Mr. Brousseau came to Los Angeles in 1877. In February, 1877, he entered into co-partnership with the Hon. Y. E. Howard, now a Judge of the Superior Court of this county, and his son, Hon. F. H. Howard, the law firm being "Howard, Brousseau & Howard," which continued until the election of Judge Howard to the bench. Mr. Brousseau opened his office in "Baker Block," Los Angeles, where he has been practicing law ever since. He was elected member of the Board of Education of Los Angeles City at the election of 1882, leading the ticket in number of votes, and was twice elected president of that Board. He was elected a member of the Board of Directors of the French Benevolent Society five years in succession, and was elected president of that society four terms of one year each, successively; and then declined a reelection, having served long enough, and willing that some other member take the honors and burdens of the position.

HON. HENRY M. SMITH.

Henry M. Smith, present incumbent of the office of Superior Judge in this county and one of the Democratic nominees for reelection, was born on the 10th day of January, 1844, in Fairfax County, Virginia, a few miles from Mount Vernon, the home of Washington, and within sight of the National Capitol. Up to 1861 he pursued the usual course of study in the excellent schools for which his native State is justly famous.

JOHN PATRICK MORAN.

From this gentleman's name it would naturally be concluded that he was a son of the "Old Sod." Fortunately, however, for the citizens of Los Angeles they are not. Mr. Moran is not only a citizen of our place but he is a native of it. This is veritably true. Mr. Moran was born in Los Angeles and has lived here during the whole of his useful life. He is never accused of being a tender-foot, and is seldom advised to wear out a pair of shoes in a town before he turns for office.

ABBOTT KINNEY.

In presenting the name of Abbott Kinney to the voters of the 76th Assembly District the Democracy has done a wise thing. He was born in the year 1850, in New Jersey; passed his earlier years in that State and Maryland; was educated partly in Europe and partly in the United States. From early manhood he has been engaged in various mercantile enterprises, many of them of great magnitude. The success of the Great Kinney Tobacco Manufacturing Company is largely due to his business and executive ability. He came to Los Angeles in 1880, regarding this country as possessing in the highest degree the elements of the best climate. With accustomed energy he converted the chaparral and sage-bush south of the Sierra Madre Villa into the most beautiful estate in Southern California. In fine, to compress results into a small space, Mr. Kinney has proved himself to be a honest, honest and unswerving regard to the proper performance of the duties incumbent upon him. The office for which he is a candidate has never been as efficiently conducted as under his management, and his respect is one of the assured facts. Mr. Cutler has been a constant Democrat all his life, and has always voted the Democratic ticket and is a member of the Grand Army of the Republic.

M. P. CUTLER.

M. P. Cutler, the present incumbent and Democratic nominee for Public Administrator, was born in the State of New York in 1842. At an early age he moved to Illinois with his father and family. At the breaking out of the late war the subject of this sketch, not yet twenty years old, enlisted in the Union Army. Upon the termination of the period of his enlistment, he re-enlisted and was mustered out at the end of the war as lieutenant, and adjutant of the 13th Missouri Cavalry. He was then elected to the office of constable of Watsonville, and re-elected for two terms thereafter.

RICHARD M. BARHAM.

Richard M. Barham, the Democratic nominee for Sheriff, was born in Illinois, October 31, 1837, and is now 47 years of age. He came to California in 1849, and settled on Bear River, Sutter County, where his father became one of the largest stock-raisers on the coast. Here young Barham grew up and was noted for his fondness for athletic sports and daring driving. His bravery and daring secured him the election to the office of constable in Ukiah Township, a position in those days requiring cool judgment and great courage. He was afterwards appointed constable of Watsonville, and re-elected for two terms thereafter.

W. F. HEATHMAN.

There is no more important gift in the people of a county than that of Assemblyman. His duties are of such a nature that if faithfully and conscientiously performed, much good will result to a community, while if the least taint of fraud or inefficiency prevails an Assemblyman's official action the county may be undone. Therefore it behooves all counties to put their best men, men tried and true, forward for this important position. The late Democratic Convention of Los Angeles County was aware of this fact, and nominated as their candidate for Assemblyman in the 77th District, a man who combines within himself all the qualities of a legislator. W. F. Heathman was born in Mississippi in 1848, and received a thorough classical education at the University of that State. He afterwards attended the Cumberland Law School at Lebanon, Tennessee, where he graduated. He then went to Memphis, Tennessee, where he practiced law for four years, coming to Los Angeles in 1877, and was then elected City Marshal, and several years as Deputy Sheriff under both Democratic and Republican Sheriffs. In 1874 he removed to Anaheim, where he was elected constable and served three terms. He has also served as Deputy Sheriff under three different Sheriffs and two years as City Marshal. It is to be said of Dick Barham that he never set his eyes on a culprit that he was after without catching him, and has never been obliged to kill a man to secure him. His record as a public officer is brilliant and above criticism, and his election to the office of Sheriff will be an honor to the Democratic Party.

WHO IS MARKHAM?

When the Republicans nominated their present candidate for Congress, the above interrogatory was asked upon every hand. The people of Los Angeles County knew nothing of Markham until he was nominated, and it may safely be affirmed that what they have since learned of him is not "greatly to his credit." He has been called "a miner." It seems that the only knowledge possessed by this gentleman on mining questions was learned when he was engaged in capturing his associates' interests at Oro Grande, and even now it is doubtful whether he knows the difference between quartz and sandstone. His constituents were so well pleased with Mr. Del Valle's behavior that he was elected to the Assembly, and was the caucus nominee of the Democracy for Speaker. It was largely through his influence and skillful leadership that the infamous appointment bill concocted by Dave McIlure and his associates was defeated.

THE MULLIGAN LETTERS.

And Documents Taken by Blaine from Mulligan in 1876.

(Private and Personal.)

Answer (No. 1, August 31, 1872.)

My Dear Mr. Fisher: I have been absent so much of late that I did not receive your last letter until it was several days old. When I last wrote you, I was expecting to be in Boston on a political conference about this time, but I found it impossible to be there, and it is now impossible for me to leave here until week, the 9th. I will try to meet you at the Parker House on the 10th or 11th, availing myself of the first possible moment for that purpose.

I cannot, however, allow a remark in your letter to pass without comment. You say that you have been trying to get a settlement with me for fifteen months; you have been trying to induce me to comply with certain demands which you made upon me, without taking into account any claims I have of a counter kind.

This does not fill my idea of a settlement, for a settlement must include both sides.

No person could be more anxious for a settlement than I am, and if upon our next interview we cannot reach one, why, then we try other means.

But my judgment is that I shall make you so liberal an offer of settlement that you cannot possibly refuse it.

As one of the elements which I wish to take into account is the note for \$10,000 given you in 1863 for Spencer stock, I desire that you will furnish me with the items of interest on that note. My impression is that when that note was consolidated into the large note, which you still hold, that you did not charge me full interest, possibly omitting one or two years.

I will be obliged if you will give me information on this point, for I intend to submit to you a full and explicit basis of settlement, and in making it up it is necessary that I should have this information. Please send it as promptly as you may be able to give it to me. In haste, very truly yours, W. F. HEATHMAN.

(Personal.)

August, Me., August 9, 1872.

My Dear Mr. Fisher: On my return home yesterday I found your favor of 8th from Stoughton, asking for my notes, \$6,000, on account. It seems to me that a partial settlement of our matter would only lead to future trouble, or at all events to a mere postponement of our present difficulties.

I deem it highly advisable that we should have a conclusive and comprehensive settlement, and I have been eager for that these many months.

The account which you stated June 29, 1872, does not correspond, exactly with the reckoning I have made of the indebtedness on the note you hold. You credit me, April 26, 1869, with \$12,500 dividend from Spencer Company; but

ORLANDO.

Mr. Markham has hired an unnaturalized Mexican, whose name is Orlando, to travel with him as Spanish orator. It is understood that this fellow abuses Mr. Del Valle on all occasions. It is safe to say that the utterances of this apocryphal hireling will not injure the Democratic nominee. The Spanish-American voter cannot be captured by any stock of the Orlando variety. A man who talks against his own people for coin cannot claim the recognition of honest men. Mr. Markham's money is badly invested.

MARKHAM AND THE CHINESE.

Now that it has become evident that Mr. Markham did actually employ Chinese to the exclusion of white miners, the question suggests itself, would it not have been better for that gentleman to have admitted the truth of the charge at once instead of permitting his organs to deny it, and even equivoating about it himself? Candor is a quality much to be admired, and we fear it is not a dominant characteristic of the Republican Congressional candidate. A man whose utterances are willfully unreliable has never much greatness about him.

LAWYERS FOR THE ASSEMBLY.

No doubt there should be some lawyers in the Legislature. Their presence is necessary, but all interests should be represented. The Republicans have chosen a full complement of the Bar—Magie, Edwards, and Hazard. The two former, like Markham, are new-comers. The Democrats have selected a farmer, a fruit-raiser, and one lawyer. This is fairer and more likely to result in proper representation.

NOT A PUBLIC SPIRITED MAN.

Mr. Markham came to California some five years ago. For about four years he might have exercised the privilege of a citizen of California, but he never took enough interest in public affairs to vote; indeed, he did not even register. We are told by a gentleman, whose word cannot be successfully questioned, that Mr. Markham told him, about one year ago, that he did not consider himself a citizen of this State, that his stay was only temporary. When did Markham become so zealous in the interests of Southern California? Only when he saw a chance for office. Did any one ever hear of a carpet-bagger?

VOTE FOR THE MAN YOU KNOW.

Every one knows Del Valle. His record is a matter of history. The bitterest Republican will admit his honesty. Why then should the honest Republican voter reject him for a pilgrim office-hunter?
